Law Firm

Established 1958

Founded in 1958 by Yigal Arnon, the firm Yigal Arnon & Co. has become one of Israel's leading law firms. With offices in Tel Aviv and Jerusalem and a staff of over 100 attorneys, including 35 partners, the firm offers a full spectrum of legal services to a wide-ranging client base and is renowned for its corporate, banking, finance, venture capital, M&A, taxation, labor, anti-trust, securities, foreign investments, litigation and real estate practice. Yigal Arnon & Co. is also actively committed to the community through extensive pro bono work.

For the past five decades, Yigal Arnon & Co. has successfully maintained a reputation for achieving timely and positive results thanks to its multi-disciplinary legal approach, team work and understanding of its clients' business objectives.

Areas of Practice

Yigal Arnon & Co. specializes in a vast range of areas, including antitrust and competition, banking and finance, bankruptcy and creditors' rights, corporate finance, emerging growth companies, environmental law, intellectual property and corporate partnering, labor law, life sciences, litigation (including white collar crime and class action defense), mergers and acquisitions, project finance and public tenders, real estate and development, securities, tax, telecommunications and venture capital.

Yigal Arnon & Co. is widely recognized for its banking and financial services practices. The IFLR 1000 lists the firm's capital markets, M&A and project financing practice amongst Israel's top three in its Guide to the World's Leading Financial Law Firms. The European Legal 500 directory ranks the firm in its top category in the areas of commercial-business, M&A, high tech, capital markets and securities. Renowned for its specialty in venture capital, Yigal Arnon & Co. was the only Israeli law firm listed as one of the most active venture capital and private equity law firms by Private Equity Analyst.

Client Base

Yigal Arnon & Co. represents a wide range of public and private Israeli and foreign commercial clients, including Fortune 500 corporations, and a long list of Israel's leading companies, including banks, venture capital funds, telecom operators, real estate and industrial companies, young emerging growth companies and individuals. Stressing professionalism, service and integrity, the firm assists its clients in finding pragmatic and effective ways to stimulate business growth and resolve business disputes.

Pro Bono

As one of Israel's leading law firms, Yigal Arnon & Co. recognizes its obligation to serve the greater community through extensive pro bono work. Many of the firm's attorneys which are active participants in the Israel Bar Association, have recently established national pro bono legal assistance program, which is currently chaired by Yigal Arnon himself.

Founder and Partners

Yigal Arnon is one of Israel's most senior practicing attorneys and specializes in mergers and acquisitions, banking, joint ventures, real estate development, commercial litigation, class actions and white-collar criminal defense. He received his LL.M. from the Hebrew University of Jerusalem in 1953 and founded the firm five years later.
